**JOINT USE AGREEMENT
BETWEEN
THE FORT MILL SCHOOL DISTRICT
AND
THE CITY OF TEGA CAY**

**CONCERNING THE ATHLETIC
FIELDS AT TEGA CAY ELEMENTARY**

Purpose

The Fort Mill School District (hereinafter called "District") recognizes that offering the use of District facilities and grounds to outside organizations such as the City of Tega Cay (hereinafter called "Tega Cay") benefits the youth that participate in Tega Cay Parks and Recreation Programs. The District and Tega Cay have mutual interests in helping young people learn and develop recreation skills. The District works cooperatively through this Joint Use Agreement to provide use of the multipurpose field and baseball field (hereinafter collectively the "Facilities") to the Tega Cay Parks and Recreation Department at the Tega Cay Elementary School, located at 2185 Gold Hill Rd, Fort Mill, SC 29708.

The purpose of the Joint Use Agreement (JUA) is to foster a healthy foundation and relationship between both organizations and that this foundation will be built upon for continual improvement for years to come. As the District continues to experience enrollment growth and simultaneously as Tega Cay experiences an increase in participation of its recreation programs, entering into a Joint Use Agreement is necessary in order to recognize the financial resources needed to cover the increased demand on District athletic fields.

1. General Guidelines for Joint Use

- A. The District will make its athletic fields located at Tega Cay Elementary school available for use by Tega Cay on a first priority basis after the scheduling requirements for District programs have been met.
- B. Tega Cay will provide to the District Rental Facilitator, detailed schedules for athletic fields on or by January 1st of each year for spring sports and on or by August 1st of each year for fall sports.
- C. For scheduling purposes, priority will be given to programs that provide direct benefit to youth.
- D. The mutual goal of the District and Tega Cay will be to maintain Parks and Recreation program continuity, giving adequate notification of scheduling changes to allow completion of a Parks and Recreation program cycle.
- E. Tega Cay agrees to provide adequate supervision of all of its programs. Supervision will not be provided by the District.
- F. The District will operate its athletic fields at Tega Cay Elementary as joint use facilities with Tega Cay. However, a separate District fee schedule will be established and charged to non-district users when fields are deemed available for community use.
- G. Tega Cay recognizes that this JUA is only intended for the use of the Facilities located at Tega Cay Elementary and other JUA's may be developed for District facilities or athletic fields.

2. Joint Use Scheduling Process

- A. Tega Cay Parks and Recreation Department will initiate providing dates to the District Rental Facilitator by the dates as defined in paragraph I.A. above.
- B. Upon receiving the requested dates the District Rental Facilitator will begin the process of scheduling the dates with the administration of Tega Cay Elementary.
- C. The District Rental Facilitator will provide a written confirmation of approved dates within two weeks to the Tega Cay Parks and Recreation Department. If a delay in confirmation is occurring, the District Rental Facilitator will communicate the delay to Tega Cay.
- D. Upon receiving the confirmation, Tega Cay Parks and Recreation may consider the schedule provided as booked with the District and Tega Cay Elementary.

3. Resolving Space Availability Conflicts

- A. Efforts at resolution of space availability issues are first encouraged directly between facility based representatives. The scheduling offices of both organizations will, whenever possible, identify options or ways to accommodate the interest of both organizations.
- B. If an agreement cannot be reached on a scheduling request, the issue will be referred to the Superintendent of Schools and the City Manager.

4. Procedures of Managing Athletic Facilities

- A. A key to lockable gates shall be provided by the District to Tega Cay. Issuance of keys to Parks and Recreation personnel for use of District athletic fields is limited to the requirements of the JUA. Tega Cay agrees to not duplicate keys issued.
- B. Tega Cay agrees to maintain the athletic fields for the purpose of Parks and Recreation uses. Maintenance on the baseball field and the soccer field will include cutting of the grass, weeding fence areas, upkeep of the irrigation system, infield upkeep for the baseball field and turf grass management of the Facilities.
- C. The District will not provide storage units for Tega Cay. In the event that storage units are needed by Tega Cay, a detailed plan will be provided to the District for review and approval.

5. Restitution and Repairs

- A. As Tega Cay is the entity responsible for maintaining the Facilities at Tega Cay Elementary, it shall also be responsible for the repair of the turf grass during optimal growing times each year. Tega Cay shall not be responsible for any damage that may occur as a result of vandalism when the fields are not in use or any damage as a result of negligence by the Fort Mill School District. If either party discovers damage to either Facility, it should be reported to the proper authorities and to the other party.

- B. Tega Cay will make the District aware of any work being performed on the facilities, whether it be due to damage or general turf grass maintenance. An expense sheet detailing the work done and the cost shall be provide by Tega Cay to the District within 30 days of the repairs being completed.
- C. The District shall have the right to make immediate emergency repairs to the facilities. If the District determines it is in its best interest to make other repairs to the Facilities, it shall notify Tega Cay no fewer than 10 business days prior to the work commencing.

6. Documentation of Rental Cost

- A. The District will provide to Tega Cay an invoice documenting the waived rental cost. The invoices will be provided to show the benefits that the District provides to the Tega Cay Parks and Recreation Programs by providing in-kind space.
- B. Tega Cay will provide the District with an annual itemized list of costs associated with maintaining the athletic fields at Tega Cay Elementary. The annual itemized list will be provided to show the cost saving benefits that Tega Cay provides to the District in order to be able to access the fields.
- C. Either organization may request a review of the relative benefits received by the other organization.

7. Requests for Services Outside of the Agreement

- A. Should Tega Cay and the District decide not to enter into a JUA for other District owned Facilities, Tega Cay will assume the facility rate provided by the Fort Mill School Board Policy K-F. Standard requesting procedures apply to those requests and invoicing will be handled by the District Rental Facilitator.
- B. Should the District request space at any City of Tega Cay facility which exceeds an amount determined to be waived by Tega Cay in its sole discretion, the District will be billed and an invoice will be provided to the District Rental Facilitator.

8. Liability

Tega Cay agrees to carry supplemental accident insurance coverage on all participants that it schedules to use the Facilities. Tega Cay further agrees to maintain Workers Compensation on all employees working for Tega Cay while they are working at the Facilities and obtain proof of workers compensation from any contractors it may use to maintain the Facilities. The District agrees to cover the Facilities under its regular property and liability insurance as it would all other District Facilities. The Parties agree to work in a cooperative effort in the event of an accident at the Facilities.

9. Agreement Term

The term of this agreement will be for two (2) years from the date that the JUA is signed by both parties. This JUA may be extended for an additional

two (2) year term, provided however, both Parties must agree to the additional term in writing, no fewer than 90 days prior to the end of the then current term.
