NOVEMBER DINNER HIGHLIGHTS:

Each Thanksgiving table was decorated with either a turkey that got away or a pumpkin that didn't get carved for Halloween. Tiny gourds in many color helped set the Fall Season mood and then Mother Nature decided to show up with a serious tornado alert! After that little bit of excitement, we all settled down to a traditional Thanksgiving dinner. Turkey breast with stuffing & gravy, lemon garlic pork loin, sweet potato casserole with marshmallow topping, Brussel sprouts in butter sauce, cauliflower & broccoli blend, cranberry sauce and pumpkin pie with whipped cream topping filled our plates. The Hinson Girls stepped up after dinner with their Bluegrass sound and topped our evening with their talents, both instrumental and voice. This award winning group of four sisters appreciated our reception and applause for their talents.
