New Business-

Item 1: Catawba Park and Board Update

All members of the committee introduced themselves to the rest of the committee.

Joey discussed details of the park and current timeline of the project. City Council has worked with staff to create a funding scenario for Phase I and II of Catawba Park. The project was put out to bid in Mid-February with bids being received April 29th. Anticipated groundbreaking will take place in late May/early June. City Staff and Council will pursue corporate sponsorships once we break ground.

Heather discussed focus of the group moving forward. The committee will be involved in groundbreaking and ribbon cutting ceremony along with other potential fundraising events like taste of York County. The first initiative of the group will be the buy a brick campaign that will feature bricks at the baseball/softball and soccer complex.
