Section 8 Comments :

Please include any other information below that the City needs to consider while processing your permit request :

Section 9 Signatures :

I hereby certify that all information supplied on this application for a City Permit is true and factual. Any misrepresentation given by the applicant can result in delaying the progress of the project, forfeiture of the Permit and possible fines. If an Erosion Control Plan is required, I certify that I am the person responsible for carrying out the Plan. I acknowledge that I am responsible for complying with this Permit and all applicable City Ordinances. The City can require any structure, fence, shrubbery, plantings, or similar objects be removed from any and all easements at the owner's expense.

O.K. to email me when fees are due and permits are ready?
