

Welcome to the Independence Soccer Club family, we are excited you are here! If you have any questions please reach out to Tega Cay program director, Jenn Dobson, at [jennd@independencesoccer.club](mailto:jennd@independencesoccer.club).

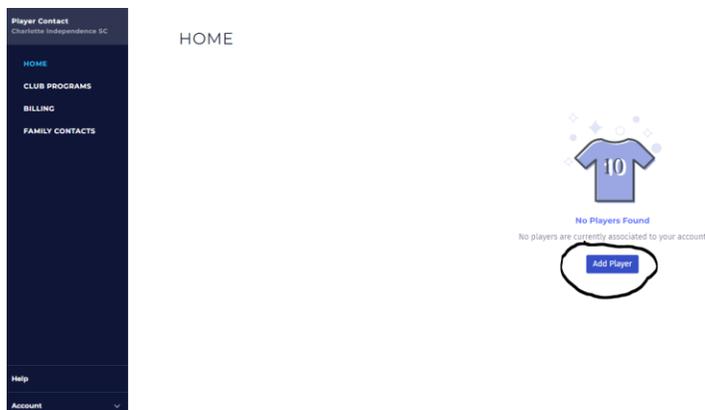

Once you follow the registration link you will see the following screen:

The screenshot shows the PlayMetrics registration interface for Charlotte Independence SC. At the top, there is a dark blue header with the PlayMetrics logo and the club name. Below the header, the text reads "Let's set up your PlayMetrics account." There are two input fields: "Email Address" and "Create Password". The password field has a strength indicator and a toggle for visibility. Below the fields, there is a note about password requirements: "Passwords must be at least 8 characters long with a mix of letters (lower and uppercase), numbers, and special characters. Empty spaces also can be used." A link for "Terms & Conditions and Privacy Policy" is provided. A blue "Create Account" button is at the bottom of the registration section. Below this, there is a section for "Already have a PlayMetrics account?" with a "Login" button. At the very bottom, there is a link for "Need Help?" with contact information for support.

Please enter the email address of the legal guardian and create a password for your account. Then click Create Account.

Once you have created your account you will then need to Add Your Players to your account. On the home page of your account Click Add Player:

Enter your player's information. NOTE you will need to repeat this step for each player:

The screenshot shows a modal window titled "Add Players" with a close button in the top right corner. Below the title is a message: "You will be the primary contact for the players you add. You can grant access to other members in your family later on." The form contains several input fields: a profile picture icon, "First Name" and "Last Name" text boxes, a "Birthday" field with a date picker (format: mm/dd/yyyy), and a "Gender" section with radio buttons for "Male" and "Female". At the bottom of the modal are two buttons: "Cancel" on the left and "Add Players" on the right.

Once you have added all your players you can then register for your Recreation Soccer program. In your PlayMetrics account click on the Club Programs menu and then select the program you wish to register for from the list.

The screenshot displays the "CLUB PROGRAMS" page in a web application. A yellow header bar at the top indicates the user is logged in as a "Test User" and provides an "Exit Test Account" link. A dark sidebar on the left contains navigation options: "Player Contact", "HOME", "CLUB PROGRAMS" (highlighted with a white arrow), "BILLING", "FAMILY CONTACTS", "Help", "Account", and "PLAYMETRICS". The main content area shows a "CLUB PROGRAMS" header with sub-tabs for "Programs" and "Financial Aid". Below this is a blue banner with a "You have 1 Alert" notification and a message about email delivery issues. The "Available programs" section lists three programs: "Goalkeeper Winter Camp", "Youth Academy Trial Program | Gaston County", and "Youth Academy Trial Program | Indian Land". Each program card includes details like "Camp" or "Training", "Multi-Location", "Eligible Players" (with a dropdown menu), and a "Register" button. On the right side, there is a "MY PLAYERS" section listing "Test Test", "Test Player 2007", "Test Player Cld", and "Test US", each with a circular icon containing a letter and number. At the bottom right, it says "Add players to see available programs for them."
